

WELCOME LETTER FROM THE PRESIDENT

Hello!

I am looking forward to the upcoming year for the Monticello community! We will be working on networking, membership growth, local connections within our community, economic growth and more! We are at an advantage in our community to have leaders, business owners, educators, and citizens who realize that we all share the responsibility of creating success and happiness within our community.

You will find a categorical listing of Chamber member businesses and organizations that are on our website at www.monticello-chamber.com. We encourage you to shop and dine locally and help us continue in building success for the Monticello community. The goal of the chamber is to promote economic development, business growth, and prosperity. This is an exciting time to be a member of the Monticello Chamber! A few things that the Chamber can help your business with are networking opportunities, business referrals, increased visibility, and job listings.

As the Chamber President, I am honored to work alongside our dedicated board who all share the same vision. If you are not yet a member, please join us today. Your membership will benefit your business and community.

Sincerely,

Val Johnson, Woodford State Bank

President, Monticello Chamber
